With reference to your letter No 11055/1188 dated 27th March 1913 I have the honour to inform you that the Government sanctioned the travelling allowance to two members of the College Staff who accompanied the students who went on Tour on 15th January 1913 when the College Tour was finished and secondly that no intimation was received by me before the Tour began restricting the number of masters who had to accompany the students

Office of the Inspector General of
D O No 588 Education in Mysore
Bangalore 18th April 1913

Dear Mr Balasundaram Iyer

With reference to your D O No 8103 dated the 11th instant regarding travelling allowances to five teachers and two peons who accompanied the students of the Maharaja's College in connection with their History Tour I may state that Mr Denham in his D O of the 9th December last to me did not state the exact number of teachers who were to accompany the students, but mentioned the trip of Geology students in support of his request for Government help As only two teachers accompany the party of Geology students in my D O letter No 226 of the 11th December 1912 addressed to Mr K R Srinivasiengar I recommended that two teachers may be allowed to accompany Mr Ramaswamaiya s reply to this letter reached me on the 20th December last at my house on a general holiday and I at once intimated to Mr Denham of the sanction of his request I am sorry I did not mention the number of teach-

ers

teachers who were to accompany though I did so when the Government Order was received No doubt there was some mistake on my part, but in any case it is too much to allow five teachers for a party of barely forty students

To obviate all trouble I would modify my recommendation and give a single II class railway fare to each of the five teachers both ways and 3/10ths of pay for each day of halt or road journey The two peons may be allowed a single third class railway fare both ways

By this rearrangement Government will have to sanction Rs 23-11-3 in excess of what is already sanctioned as per calculations given below

If Government are agreeable to sanction the extra sum of Rs 23-11-3, a fresh order may be issued

Yours sincerely,

V. Ramakrishna Rao.

Maharaja's College
Mysore December 9th 1912

Dear Mr Shama Rao

Do you think likely that Government would contribute to the College Tour? We want to organise a Tour to Belur and Halibed during the Christmas Holidays but the response to our suggestion is very poor mainly or entirely on account of the expense incurred - the inclusive charge for 10 days - rail carts &c being Rs 20/- It would be easy to show that such History and antiquarian Tours form an essential part of the work of a History College like that of the Maharaja s College - but I do not think you want me to attempt that task The point is that if Government would subsidise the undertaking the College Tour would be a great success I believe that such is done in the case of Normal students Geology students &c The reason for Government help in these cases may be more apparent but I think the case of our College is the same in principle though there may be a difference in degree

There

Should routine notes be written on small slips the notes must be copied or slipped on this form

There is the case, too of the masters who carry out the Tour Would it not be possible to consider them on Duty when they are absent on the Tour and are sacrificing themselves financially and in other ways for the good of the students They would consider it a great boon if their travelling expenses, at least were allowed them

I should be very grateful for an early reply to this as the Tour must be immediately arranged if it is to take place

Yours sincerely,

From M Shama Rao Esq

To
K R Srinivasiengar Esq
Offg Secretary to the Government of His Highness
the Maharaja of Mysore General & Revenue Departments

Sir

I have the honour to inform you that the Principal Maharaja's College Mysore proposes to undertake a History and Antiquarian Tour to Belur Halebid &c in the interests of the history students of the College during the Christmas holidays and requests a Government subsidy towards carrying out the tour and travelling allowances for two members of the staff who are to be in charge of the party.

2 I consider that the Principal's proposal deserves sympathetic consideration as the educational value of the tour is great and recommend that the Government may be pleased to make a grant of Rs 100 towards the cost of the tour The two members in charge of the party may also be given the usual travelling allowances to which they are entitled under the Service Regulations

3 This latter item can be met from the normal grant of Rs 1500 for the purpose under Arts Colleges I recommend that the other Rs 100 be met from the Rs 500 provided under the same sub-head for ~~xxxxxxxxx~~ establishment as the amount is not likely to be all utilized in the course of the year I may add that this proposal of mine informally approved by Government *has already been

No 8894 / 490

Bangalore 10th February *1913*

From M Shama Rao Esq M A
Offg *Inspector General of Education in Mysore*

To
K R Srinivasiengar Esq
Offg Secretary to the Government of His Highness
the Maharaja of Mysore General & Revenue Departments

Sir

Pt 5 of current papers

With reference to Government Order No 5044-5/Edn 197-12 dated the 15th January 1913 approving of the tour of the History students of the Maharaja's College and sanctioning travelling allowances to two members of the staff I have the honour to inform you that Mr Denham reports in his letter No 448 dated the 23rd January 1913 that five teachers and two peons accompanied the party who were forty in number and most of them young

Pt 3 of current papers

2 When I recommended travelling allowances to two members of the staff in my letter No 7064/391 of the 23rd December 1912 I thought it would be enough if two teachers accompanied the party But Mr Denham seems to have thought that more than two were required as the number of students was large and allowed five teachers to go in charge of the students Under these circumstances I recommend that travelling allowances may be kindly sanctioned to the five teachers and two peons as a special case for this year Hereafter it may be made clear to Mr Denham that allowances cannot be given for more than two teachers

A copy of Mr Denham's letter is enclosed for perusal

I have the honour to be
Sir
Your most obedient servant
M Shama Rao

With reference to your letter No 7636/826 dated 16th January 1913 sending a copy of Government order No 5044-5/Edn 197-12 dated 15th January 1913 approving of the College Tour and sanctioning Rs 100/- and travelling allowances I have the honor to inform you that travelling allowances are sanctioned to only two members of the staff

Five members of the staff and 2 peons accompanied the students who were 40 in number As the number of students was large and most of them were young, five masters were necessary to look after them Under the circumstances I have the honour to request that you will be good enough to obtain sanction of travelling allowances to 5 masters and 2 peons who went on tour with the students
